KNU Online Summer (Continued)

Online Language and Culture Experience

• Culture Excursion

KNU Staff took a camera to Gyeongju and Pusan to film a “real life” cultural excursion to give students the most from their online class.

• Feedback

Overwhelmingly positive feedback was recorded from this course.

- *Chance to see Korea
- *Cost effective
- *Safe
- *Fun
- *Planning to visit Korea as a result

• Winter Plan

Off of the positive reviews from students and partners, we plan to offer this class again in the winter.

Distanced International Writing Center

Online Speaking and Writing Courses

1. Program

A service of the OIA, the IWC primarily offers a mandatory writing course (Writing Roadmap) and optional speaking course for Korean students applying for international exchange programs.

2. Online

IWC interns work in closed cubicles in split shifts on rotating schedules. They wear masks and maintain strict cleaning and sanitizing procedures.

3. Safety

Students and staff are further in contact through a live chat service and exclusive email server ensuring personal, professional attention.
